### SERVICE AT PRESBYTERIAN CHURCH

#### Plans Announced For Easter Program

The Cameron Ministerial Association met at 10 A. M. Monday at the First Presbyterian Church with the following ministers present: Rev. O. H. Buttram, Rev. Percy Corkern, Rev. Mark Magers, Rev. James McKeown, Rev. John Solomon and Rev. John Striepe of Buckholts.

The ministers had invited laymen from their respective churches to meet with the Association to complete arrangements for the Good Friday Service.

After some discussion it was unanimously voted to hold the Good Friday Service on March 23rd from 12 to 3 p. m. at the First Presbyterian Church. The entire group voted to provide a free-will offering to be made at the entrance of the church. Such offering to be used to defray expenses of the service.

The president of the Association, Rev. P. A. Corkern, appointed the following committee to arrange for the closing of all places of business on Good Friday: Calvin Markham chairman, T. A. Pembroke, E. J. Manning, Dean White, Drayton McLane, William Moran, John Henderson, E. C. Cole, J. D. Moore, Max Howard, D. A. Laywell, and Elmo Vaughn.

The laymen were then excused that they might return to their places of business. The minutes of the last meeting of the Association were read and approved.

Further discussion was held concerning the Good Friday service. The host church will arrange music for the service except for special number. (Turn To Page Ten)

#### Robert Weems Wants To Serve

Robert Weems, owner and operator of the Weems Transfer, Mill and Feed Store, is a candidate for a place on the City Council subject to the election on Tuesday April 3.

Mr. Weems is the son of the late A. N. Weems and Mrs. Weems who resides at the family residence on East First Street. The Weems family are pioneer settlers of the city and have been prominent in its history.

He is well known over the city and has been manager at the Southland Cotton and Oil Company's Gin, formerly the Weems Gin. People here will be glad to know of Mr. Weems' interest in the affairs of the city.

Mr. Weems is basing his candidacy on good sound government and will devote his interest to the job as alderman. In his announcement he wishes to express his firm desire to serve the people of Cameron.

He has been encouraged by a number of friends to run for this position on the city Council and after careful consideration concerning the duties of the office he is asking for a place on the board of aldermen. Mr. Weems believes in the development of the city and is a member of a number of civic organizations in the town.

He will appreciate your vote and support in the election to be held in April.

#### Investigation Made After Sudden Death

Mrs. Jack Taylor, 35 died Tuesday morning March 13, 1951.

Mrs. Taylor became suddenly ill Tuesday and was taken to the St. Edward Hospital and upon arrival was pronounced dead by Dr. David Shapiro, attending physician. She had lived in Cameron for only a short time and was a former resident of Ennis where her family is well known.

Coroner, Justice of Peace, Womack Brashear, held the inquest.

Mr. Brashear said that an investigation was being made. Green's Funeral Home released the body sometime Tuesday to the Keever Funeral Home and was taken to Ennis where arrangements were pending.

Surviving are her husband, Jack Taylor of Cameron, Connie Richardson of Ennis, her parents Mr. and Mrs. Jones of Ennis, three sisters, Miss Jesse Jones, Patsy Jones of Ennis and Mrs. Josephine Mock of Tulsa, Oklahoma.

#### County Board In Session Monday

At a recent meeting of the Milam County School Board, E. A. Perrin was appointed as County School Trustee at large to fill the vacancy of Judge O. D. Graham who was recently appointed District Judge of this District, it was disclosed by Hinton Pruett, County Superintendent of Public Schools.

The following members of the board were present; Will Spiegel of Sharp, vice-president, John Henderson, Paul Fuchs of Buckholts, and W. L. Howell of Rockdale. All regular expenses and routine business was allowed and bills paid.

Mrs. Sherwood Cobb was appointed trustee of the Maysfield School District to succeed Jimmie Thweatt who had moved out of the district.

A group from the Salty Community who appeared before the board with their attorneys to discuss the matter of how the Salty School building is being used. It was reported that the building had been used for public dancing, and civic minded citizens disapproved of this situation. They were represented at the meeting by Mr. Barkley of the Wofford & Wofford Attorneys of Taylor. E. A. Camp, prominent attorney of Rockdale, represented the other faction.

The county board after hearing both sides of the question took no action as they had no jurisdiction over the matter.

#### Pioneer Citizen Buried Saturday

C. F. Spiller, 92, prominent pioneer citizen of Cameron died at the family residence, Friday, March 9 at 4:30 P. M.

Mr. Spiller was a native of Somerville, Georgia and lived in Georgia and Alabama until 1890 when he came to Texas with his parents. His parents settled in Denton County where for several years he was a street car conductor in Dallas when the cars were horse drawn. He had seen much of the early history of the state of Texas and was well informed on problems of today. He was also a man of exceptional information, and was an inspiration to his fellowmen.

Mr. Spiller had been very active until four months ago, but since that time had been in declining health. He had lived with his daughter Mrs. Dorcas Batte, the majority of his later years. Friendly, and always considerate, he was jovial and his smile was the evidence of a sunny heart.

He married Miss Annie McCall in (turn to page four)

#### Constable Wounded In Affray Sunday

Constable Ed Sexton of Rockdale shot to death a Mexican "wetback" Sunday, identified as Salvador Martinez, who attacked him with a razor, the constable said.

Constable Sexton had picked up Martinez as a suspect connected with the breaking in of the Rockdale depot Saturday night and discovered after arresting Martinez, he was in this country illegally. The arrest occurred Sunday morning. He said that Martinez could not speak English, but told him through an interpreter, he had made illegal entry into the United States some four months ago and had spent most of the time in the Fort Worth and Dallas area.

Martinez was from Monterrey, Mexico. The affray occurred when Sexton was taking Martinez to the Milam County Jail, to await arrival of immigration officials.

Mr. Sexton said he stopped the car, at Martinez's request, and after getting out the Mexican refused to get back in. He attempted to put Martinez back into the car, and the Mexican slashed at him with a razor which he had concealed in his hat, cutting Mr. Sexton on the hand and coat.

The constable drew his revolver and fired one time at short range, Martinez fell dead instantly.

The body of Martinez was brought to the Green's Funeral Home to await arrangements.

#### O. B. Harden For Alderman Here

O. B. Harden, prominent young businessman of Cameron, is asking for a place on the board of aldermen, subject to the election to be held on Tuesday April 3.

Mr. Harden is an employee of the McLane Wholesale Company and has been a resident of the city for the past sixteen years. He is a valued employee of the company where he has worked for the past fifteen years, coming to Cameron from Rosebud.

On request of a large number of interested citizens, he has become a candidate for this important position in the city government, and as a businessman intends to devote his time, efforts and interest for things best for the city, if elected.

He is well known for his aggressiveness in civic and municipal affairs of the city and is well qualified in asking a place on the city council. He understands the affairs of the city government and through this understanding can better serve the people in this capacity.

Mr. Harden is young, capable, efficient, and his interests lie with the majority of the people and will endeavor to render service to the people to the best of his ability. He married the former Dorothy Blaylock, member of a well known family of Cameron, and they have one daughter, Rebecca. Mrs. Harden is well known for her work among the civic clubs of the city and other activities.

He will greatly appreciate your vote and support in the coming election.

#### In The Marine Corps

Marine Private First Class Gordon C. Gibson, son of Mr. and Mrs. O. V. Gibson, 304 N. Rush Avenue, Cameron, Texas, recently completed his initial training at the Marine Corps Recruit Depot, San Diego, California.

Upon completion of his training he was promoted to the rank of Private First Class, an honor bestowed upon every Marine who finishes his training with a clean record.

The young Leatherneck spent his first three weeks of training at the post receiving instruction on small arms, first aid, field sanitation, map reading, military courtesy and infantry drill. The following three weeks the young Marine spent at the rifle range where for two weeks he was taught the fundamental principles of marksmanship and during the third week he made practical use of his training by firing the Marine Corps basic weapon, the M-1 rifle, for record purposes.

The new Private First Class spent his last two weeks in the Recruit Depot honing on additional subjects necessary to a Marine. These included bayonet fighting, combat formations of a rifle squad, digging of fox holes and a series of field problems where practical experience was gleaned through the application of classroom work.

He has been transferred to a Casual Platoon where he will soon be assigned to one of the many duty stations where Marines serve their country.

Gordon is a graduate of the 1950 class at Yoe High and was a star player on the Yoemen football team for three years where he played the center position. He was captain for two years and made the all-conference team in the district for two consecutive years. He is well known here in the city and was popular among the student body and faculty at Yoe High School. Pvt. Gibson has completed a ten day furlough with his parents and has returned to his base in San Diego, California.

#### Phone Committee Appointed Monday

Considerable discussion was held on the rural telephone situation in the county, at a meeting of interested citizens of the rural areas and representatives of the Southwestern Bell Telephone Company at the Court House Monday night, March 12.

The main objectives the farmers were seeking were when will they get phones and what will the rates be per month?

C. L. Carson, district manager of this area from Taylor, was present and explained what the Southwestern Bell System had to offer the subscribers and asked that they take no action on the matter for at least 30 or 60 days as he thought by that time his company would have something definite to offer the people who wanted phones. The group voted to take no action on this matter.

Hubert McClaren of Marlow made a motion that a committee be appointed to contact other cooperative telephone systems and continue to look into the matter so that no time will be lost in case Southwestern Bell Company cannot give the subscribers service within the near future.

This motion passed unanimously and the following committee was appointed: Valter White, chairman, Hubert McClaren, O. G. Tumlinson, L. C. Boyd, T. B. Stidham, Gilford Thweatt and Cleve McCall.

The committee plans to contact representatives of the Cooperative System in Bell County, J. R. Dowdy and C. C. Countess as to the procedure of the building of a cooperative system in the county.

The rural citizens are anxious for telephone service and are exerting every effort possible to get this needed service in other communities surrounding the city.

Mr. Dowdy is manager of the Farmers Telephone Company and Mr. (turn to page four)

#### August Horstmann To Seek Election

August Horstmann, well known and prominent citizen of the city, is a candidate for a place on the City Council subject to the election on April 3.

In announcing his candidacy, Mr. Horstmann wishes to say that he has always been for the progress of his native city and during his thirty years in business here at the Tire Store, He has been an outstanding leader in municipal affairs of the community. He was elected on the council in 1938 and served for fourteen years, serving as street commissioner 10 of the 14 years he was on the board of aldermen.

This record indicates his interest in the affairs of Cameron and a large number of his friends over the city requested that he run again this year.

Mr. Horstmann is well known as a businessman and being a good business man can better serve the people in this position.

He is a member of the Chamber of Commerce and was on the board of directors for almost twenty years and served well in that capacity. He has always voiced his opinion on problems pertaining to the city and they have been in line with its progress and development.

Mr. Horstmann is co-owner of the Horstmann Brothers Tire Store which has been a leading business in this area of the county for many years. He is associated in business with his brother, O. B. Horstmann who is also well known for his interest in civic activities. He is experienced in the affairs of the city government and through this experience can better serve the people.

He will greatly appreciate your vote and support in the election on April 3.

#### Distict Eleven Passes Resolution

The 82nd Congress has been petitioned by more than 4,000 Legionnaires from Texas' 11th Congressional District to pass Senate Bill No. 1 which will immediately put into operation Universal Military Training throughout the Nation.

The action urging immediate passage of the bill was passed in resolution form at the monthly meeting of District Eleven Post Officers called by 11th District Commander W. P. "Red" Hogan of Rockdale. The meeting was held in Temple, Texas with the Temple American Legion Post No. 133 acting as host.

Copies of the resolution are being mailed to Texas Congressmen and Senators and Legionnaires representing 24 posts in the District were urged by District Commander Hogan to contact their Washington Officials from the Post level and urge that they pledge their support in getting Universal Military Training into effect as soon as possible.

Fred Brookman, Department Service Officer from Waco reported to the Legionnaires on a recent trip to Washington and W. W. Wendland, 4th Division Membership Chairman also reported to the group.

Commander Hogan announced that the next monthly meeting of 11th District Post Officers will be held at McGregor, Texas with Bryant Oliver Post No. 273 acting as host on Sunday, April 8th. Commander Cecil McMullin of McGregor announced that Barbecue and refreshments will be served to the visiting Legionnaires.

#### Native Of Georgia Dies Here Sunday

Mrs. Emma Pressley, 84, died at the home of her daughter, Mrs. Curtis Gill, on West 3rd Street, Sunday morning March 11.

Mrs. Pressley had been ill for the past four years and her condition became serious a few days prior to her death. She was well known in the city and had made her home with her daughter for sometime. No. Worry may produce a symptom such as palpitation, but not heart disease. If you already have heart disease, worry can make it worse.

Does overweight cause heart disease?

No. If you have high blood pressure, heart disease, overweight will put an extra strain on the heart and blood vessels and may cause further damage.

## Texas Draft Quota For Month Of May Has Been Announced

AUSTIN, March 9—State selective service headquarters announced Friday that Texas' share of the national draft call for May is 3,112 men.

Lt. Col. Morris Schwartz said this compares with a call for 4,150 men for April. The national quota for April was 80,000, while the May call was for 60,000 draftees.

Colonel Schwartz also announced that 7,726 draft registrants have been called for pre-induction examinations during April.

These examinations will be in preparation for anticipated inductions in June.

He said Texas made its quota for February, when 4,255 men were inducted. This figure, he said, include some draft law delinquents.

Tresa Mueck is ill and in Newton Memorial Hospital for treatment.

## Bryan And Killeen Jobs Are Approved

GALVESTON, March 7—Killeen and Bryan Air Force Base prospects are some of those authorized for the Galveston District Office of Army Engineers.

About \$24,000,000 will be spent for work at various Texas Air Force bases. Col. Ellsworth I. Davis, district engineer, said this brings the total of district military construction projects now authorized to about \$65,000,000. All new contracts will be awarded by April 1.

Around \$2,000,000 will be spent at the present Bryan Air Force Base for construction of aviation gasoline fueling facilities, runway and taxiway extensions and air field lighting systems. Bids will be opened March 27 and 29.

A base operations building will be erected at Gray Air Force Base, Killeen, but Colonel Davis did not say how much it would cost. Bids will be opened March 30.

## E. M. Roberts Is Named Chairman

The Red Cross Drive in the colored section of the town got off to a good start at a meeting of the workers in that area at the O. J. Thomas High School, according to E. M. Roberts, chairman for that part of the town.

Mrs. Agnes Lowe, executive secretary of the Milam County Chapter, explained the many details of the organization that has served the county regardless of race. The Red Cross is dedicated especially to disaster relief and offers a great helping hand to services at home and abroad.

The following workers were named Zone Captains; Austin Anderson, No. 1, from 15th to 23rd st.; J. T. Thomas, No. 2, from 15th to West Main; No. 3, L. H. Homer, West Main South to Alabama Town; No. 4, Rev. P. A. Colman, Battetown.

Speakers for the meeting were J. W. Whiteside, Prof. C. W. Walker, L. J. Johnson, C. L. Sadberry, principal of O. J. Thomas School. He will supervise the drive in that section of the town and will be assisted by D. S. Pool.

Professor Walker will have charge of the rural areas. All Captains and leaders are asked to report on the 22nd and 30th of this month to E.

M. Roberts at the High School.

The colored citizens each year take an active part in the Red Cross Drive and many other drives throughout the year and much credit is due the people in that section of the city for their interest in work in these organizations.

## Look what the Smart Money's buying

Now that the 1951 offerings of the motorcar industry have had a chance to strut their stuff, we ask you—can there be any doubt which is the really smart buy?

If you want a "new look"—Buick has it. That sturdy push-bar forefront says "1951" to all who see it—and provides unsurpassed front-end protection to boot.

If you want power that you can live with through many moons to come—Buick has that too. Years of expert engineering have made Buick's thrill-packed Fireball engine just about as dependable as a power plant can be.

If you want features that combine present pleasure with long-time durability, consider this:

Buick's level-going ride stems from coil springs on all four wheels which are virtually break-proof and never need servicing.

Buick's Dynaflo Drive\* takes the strain out of every mile of driving—and pays off by eliminating any need for friction clutch repairs and replacements, by reducing engine and transmission upkeep, and lengthening life of tires.

\*Standard on ROADMASTER, optional at extra cost on other Series.

**No other car provides all this:**

- DYNAFLO DRIVE** — saves strain on driver and car
- FIREBALL POWER** — high-compression, valve-in-head engine gets more good from every drop of fuel
- PUSH-BAR FOREFRONT** — combines smart style and unsurpassed protection
- WHITE-GLOW INSTRUMENTS** — greater clarity at night
- 4-WHEEL COIL SPRINGING** — cushions ride, saves servicing costs
- TORQUE-TUBE DRIVE** — steadies ride, improves driving control
- DUAL VENTILATION** — outside air fed separately to right or left of front compartment
- SELF-ENERGIZING BRAKES** — hydraulic—multiply pedal-pressure five times at brake drum
- DREAMLINE STYLING** — tapered, car-length fenders, gleaming sweepers on most models

Plus: Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Polished engine mounting, Body-by-Plater

**WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM**

If you want room and comfort and handling that make any trip a breeze—there's no simpler way to find them than to take over a '51 Buick SPECIAL, SUPER or ROADMASTER—relax and enjoy yourself.

And if you want all this at a minimum outlay of dollars—one look at Buick prices will settle this point.

So the smartest thing you can do is get in touch with your Buick dealer. How about doing that right now?

Equipment, accessories, trim and models are subject to change without notice.

## Mrs. Canasta Now Favors Meter System; Deposits Nickel Now Instead of Penny

Revenue from the parking meters continue to swell the City's permanent street fund.

According to Marshall Terry, officer in charge of collection returns each week always run over the \$200 mark and during the cold weather for a period of 10 days over \$400 was taken from the boxes. This is a good indication that people like and want the meter system, however there are a few obstructionists who continually try to hinder progress of the community.

The latest report of Mrs. Canasta is that she now is depositing a nickel instead of a penny since she engaged in a lengthy conversation with Mr. Canasta in the grocery store and received a ticket as a result.

Raleigh Lamb, Linotype operator at the Herald, drives his car in the back drive way at the rear of the Herald to evade the possibility of getting a ticket and criticizes other people if they run over a few minutes on the red signal.

The city recently ordered several more meters and will be installed upon arrival since the traffic in the downtown area still becomes congested at times even with the meter system in operation.

The monthly income on the meters is still around \$1,000.00 and this is a good indication that the system has been profitable for the city and the councilmen are due considerable credit for their efforts in securing them.

## 2 Texas Legislators Call For Statewide Prohibition Vote

AUSTIN, March 8—A call for a statewide prohibition election in 1952 was sounded Wednesday.

Rep. Milton Wilkinson of Patroon filed the proposed constitutional prohibition amendment in the office of the clerk of the House Wednesday. "It will be introduced to the House Thursday," Wilkinson said.

His proposal calls for prohibition of the sale of all whiskey, beer, wine or ale except that used for medical purposes. It calls for a statewide election on the first Monday of November 1952.

Co-author was Rep. Joe Gandy of Winnsboro.

"After days and days of discussion, meditation and thought, some of us thought it best not to bring up the prohibition amendment this year," Gandy said, "but to campaign the next two years to get more members in the House who would be more favorable to the proposition."

"However, since Mr. Wilkinson has sponsored the amendment, I will give him my whole-hearted support."

## Reds In Fast Retreat Leaving Many Dead

(From the Daily) TOKYO, Friday, March 9— Allied troops seized jagged snow-patched heights along the Korean battlefront Thursday, advancing up to two and one-half miles in a major offensive designed to forestall a powerful Communist counter-punch.

Fighting in nippy weather but under clear, sunny skies, American troops paced the general advance with strong artillery and air support. Chinese retreated hastily at points, leaving burning campfires and hot foot behind.

In the west, 25th Division troops drove through a lace work of Chinese Communist mortar and machinegun fire to gain a bitterly-contested and one-half miles in their two-day-old offensive 15 miles east of Seoul. This expanded the 25th's bridgehead four miles north of the thawing Han River.

In the east, U. S. 7th Division troops blocked a major North Korean attack by capturing three peaks, each more than a half-mile high in wild mountain country northeast and northwest of Pangnim.

The Reds had driven a five-mile-deep salient in this area through the lines of a faltering South Korean division.

In the center of the United Nations front a battalion of Canada's famed Princess Patricia's own light infantry charged with fixed bayonets up the steep 60-degree slopes of a hill, only to find that Chinese resistance there had collapsed overnight.

Lt. Gen. Matthew B. Ridgeway's command acknowledged that his U. S. 8th Army was engaged in a major offensive. Censors had not allowed frontline correspondents to call it even a general attack until more than 24 hours after the jumpoff.

The 8th Army officially estimated that heavy artillery and stiff ground action Wednesday— opening day of the offensive— cost the Chinese and North Koreans 11,400 dead, wounded or captured.

It was the highest single-day casualty count since the 8th Army began issuing daily estimates in January. Highest previous estimate was 10,933 for Feb. 14, peak of the six-day Chinese mid-February offensive which was stopped with the shattering of seven Red divisions.

Matter of fact, a new electric range is the solution to a lot of things. It just about takes the "work" out of

"cooking," there's so little watching and waiting to be done.

Speedy heating units are ready to go at the flick of a switch. Thermostatic temperature controls maintain the exact heat required... therefore, you get delicious cookbook results every time! A timing device turns the oven on and off automatically, so you can spend the afternoon listening to your favorite radio programs, if you wish, and still serve a timely, tasty dinner to the husband.

Come six p.m., you're rested, looking lovely... dinner's served, tastes wonderful. That's an irresistible combination, lady! Just ask that man of yours.

### CARD OF THANKS

We wish to take this means of thanking everyone who were so kind and helpful during the illness and death of our beloved father and grandfather, Frank Tomasek. We especially want to thank the SPJST Lodge, Father George J. Duda and the Green Funeral Home for their words of condolence. For the many lovely flowers we are truly grateful.

The Children of Frank Tomasek.

## Leo Baker Speaks Here Wednesday

The Cameron Rotary Club was entertained with an unusual address by Leo Baker, representative of the Central Freight Lines, Wednesday.

Mr. Baker was introduced by Gene Blake, program chairman and discussed the highlight of History of America, beginning with Christopher Columbus and ranging down through the present set-up in Washington D. C. He pointed out how our forefathers came to this country for religious freedom and how the constitution has been amended. He said our freedom is now at stake if people don't step in and demand from their representatives in our government the right kind of representation.

He said why should we send our men in the armed forces overseas to fight communism when we have it all around us in the United States. Mr. Baker went on to say that our leaders were interested in graft and money angle instead of representation for the interest of the majority of the people and it is the people's own fault because they are elected by the people.

Mr. Baker said that through the Home, Church and School were the only three means of stamping out communism in this country and it is the duty of the American citizen

to take special interest in these three institutions to combat the communistic element in this country. He pointed out how our ancestors faced many hardships that we might have freedom.

Mr. Baker is well known over the state for his interest in present day affairs and is considered an exceptional speaker.

An Attendance contest which began several weeks ago has created considerable enthusiasm among the members of the organization.

Leaders of the two groups are Henry Siebman and Milton Schiller.

Mr. Schiller's group is leading at the present but Mr. Siebman said he would contact the boys on his side and firmly stress the fact that perfect attendance is necessary if they are to win in the contest. Mr. Schiller asked Mr. Siebman if he was ready to concede victory to his side and Mr. Siebman replied with a definite NO.

Guests for the Program and luncheon were Tom Wardlow, local Central Freight Agent and Max McClaren.

**NEW** engineering advancements make traditional Dodge dependability **GREATER VALUE THAN EVER**

**T**HE DODGE reputation for dependability and long car life is a matter of record... a record of 37 years... a record no other car can match.

And with the many new advancements engineered into the great '51 Dodge, this famous dependability makes Dodge an even bigger value, an even bigger dollar buy.

For example, new Oriflow Shock Absorbers smooth out the bumpiest roads to give you a level, more comfortable ride... smother the jolts... reduce wear on vital chassis parts.

**Cushions moving parts.** Dodge Gyro-Matic, lowest priced automatic transmission, along with Fluid Drive

makes handling easier and smoother for you. But equally important, Dodge Fluid Drive cushions the power thrusts from engine to rear wheels. Starts and stops are soft and smooth. Your car and your tires last longer.

Yes, everything about this great new Dodge—the way it looks, rides and handles—tells you that here's a car built to deliver years and miles of dependable, low-cost service.

**5 minutes tells why.** Give us just five minutes. Let us show you how you could pay up to \$1,000 more and still not get all the extra room, handling ease and rugged dependability of this great new 1951 Dodge.

**NEW ORIFLOW SHOCK ABSORBERS!** With twice the shock absorbing capacity, you actually "float" over roads so bad they stop other cars. No bounce, pitch or side-sway—wheels stay on the ground for a smoother, safer ride.

## PIONEER CITIZEN—

(Continued from page one)

1895 and to this union was born five daughters, four of whom survive. They moved to Milam County in 1902 where Mr. Spiller was engaged in farming for a number of years. During the latter years of his active life he was special delivery clerk at the post office, where he was employed for seventeen years.

He was caretaker for the Cameron Public Schools and the First Methodist Church for many years where he made many friends with the younger generations, who are deeply sorrowed to learn of his death. Many of the Texas Pioneers came from Georgia and many of the men from that state have gone down in history as Texas heroes.

Mr. Spiller was widely known in the county and throughout Central Texas and over the long span of years has laid down an example of courage, friendliness and a man of outstanding character that few men have attained. He was a member of the Baptist Church and attended frequently during his late years. His wisdom and to help in time of need was among

THE IRON MAIDEN OF NUREMBURG, medieval torture device, is only one of many amazing curiosities and oddities to be seen in Cameron on Saturday March 17, when Sam Tyson Chapter No. 18 Disabled American Veterans brings a touring exhibit of Robert Ripley's "Believe It or Not" museum pieces to this city. The exhibit will be free art and interest collected by the famous Robert Ripley during his ex-

of the world.  
The mobil exhibit is mounted in a special custom-built trailer, featuring a medieval torture device, the "Iron Maiden of Nuremberg". This inhuman killer of the dark ages is only one of the many interesting articles with curiosity or oddity significance. There is a working model of an inventor's attempt to perfect perpetual motion, a knife that cuts cold steel, and an Indian necklace made from human bones, the trigger fingers of the men massacred at Custer's Last Stand.

Included in this exhibit are mysterious oddities and wonders of every age and every part of the world. There is a two-headed calf, a mummified hand with a curse that came true, a \$50,000.00 shoe, the jawbone of a huge man-eating shark, a genuine murder poison ring, and many other items.

Location of the showing will be on Main & Houston St. in front of Caperton's. Admission is free, and the exhibit will be open to the public from 10 A. M. to 10 P. M. Any funds raised through voluntary donations will be used by the State Department and the Chapters of the Disabled American Veterans in the state where the contributions are made, to assist them in carrying on their services to disabled veterans.

Then there's the guy who made anti-freeze by hiding her woolen pajamas.

## Delphian Members Attend Meeting In Austin

Eighteen members of the Cameron Delphian Club attended a meeting of the Texas Federation of Women Clubs in Austin Tuesday.

Mrs. Hamilton was hostess to the clubs and an appropriate program and luncheon was held at the Club House. She gave an interesting report of the activities and progress of the club for the past two years. She is well known in the city of Austin for her interest in civic work and has been an outstanding member of the club.

Mrs. W. C. Freeman was chairman of the program and she spoke briefly on the activities of the Cameron Delphian Club.

Mrs. Mark Magers sang two solos, entitled, "Homing" and "The Legend of Robin Red Breast," and she also sang a song, introducing Mrs. J. Howard Hodges, for whom the song was written by two members of the Federation. The song was entitled "Veda Our Leader."

A luncheon was held immediately

following the program.

Members from the Cameron Club attending all reported a most enjoyable day.

### Miss Jenness Honored With Tea Shower Friday

Miss Barbara Ann Jenness, bride elect of Jack Fletcher was complimented with a miscellaneous tea shower at the home of Mrs. Florence Jenness Friday evening, March 9.

Several colorful pot plants as well as the Easter theme was carried out in decorating the party rooms. A miniature Easter bonnet filled with small scrowls, Barbara and Jack March 25 and a large Easter Bunny lent a festive scene to the large linen covered table in the dining room.

Mrs. Mary Ann Eanes presiding at the brides book and registered approximately 50 guests during the afternoon. In the receiving line were Miss Jenness, her mother, Mrs. Vada Denson, Mrs. Louis Fletcher and Mrs. W. H. Lawrence.

Miss Jenness wore a gold afternoon dress with a Gardenia corsage. Other members of the house party wore

corsages of gardenias to harmonize with their dress.

At the refreshment service Miss Edna Myrl Angell and Miss Becky Gohmert presided at the punch service. Pink punch and cake squares with different Easter designs were served after which the guests were invited to admire the many lovely gifts on display in an adjoining bedroom.

The wedding will take place at the home of Mrs. W. H. Lawrence Easter Sunday, March 25.

The honoree received many nice and useful gifts.

### Miss Vaughn Married In California Recently

Annie Lou Vaughn, daughter of L. C. Vaughan of Walkers Creek and a niece of Mrs. O. L. Hightower of Cameron became the bride of Harry N. Carrow in a ceremony performed at the First Baptist Church in Sacramento, California, February 25. Rev. Ralph M. Johnson, pastor read the wedding vows.

The bride wore a gold wool suit, lilac colored floral hat, black patent leather accessories and an orchid corsage. Her only jewelry was an heirloom engraved gold necklace belonging to Miss Kathryn Astill of Sacramento.

The bride was born and reared in this County and at one time worked with the J. C. Penney Co. here. Before her marriage she was employed at Capital City.

After a honeymoon in Carmel, Los Angeles and Santa Catalina Island the newlyweds will make their home at Woodland, Calif.

### Dr. Swift Speaks At Three Arts Meeting

Dr. C. G. Swift was guest speaker at a meeting of the Three Arts Club which met at the home of Mrs. Gus Evans, Jr., Thursday afternoon, March 8.

There were seventeen members and three guests, mesdames Marvin Bartlett, R. J. Woodum and Warren Brashers present.

Following a brief business session Dr. Swift gave an inspiring talk on the subject, "The Atom Bomb."

Daffodils and Carnations in vases were placed at vantage points throughout the house.

The charming hostess served dainty little sandwiches and apple crunch topped with whipped cream. She was assisted in serving by Mrs. Roger Maddox.

### Mrs. Green Is Hostess To McDermott Circle

Ladies of the McDermott circle with their husbands as guests enjoyed a covered dish supper at the attractive home of Mr. and Mrs. Lealand Green, Jr., Friday evening, March 9.

The hostess had several arrangements of spring cut flowers about the party rooms.

Games of Canasta and 42 were enjoyed during the evening.

The McDermott circle is a branch of the Womens Society of Christian Service of the First Methodist church.

### Hog Producers To Met Here March 21

A meeting of hog raisers and prospective hog raisers will be held on Wednesday, March 21 at 8 P. M. at the Simon-George Memorial Hall it was announced by the Agriculture Committee of the Chamber of Commerce, Wednesday.

The program will feature two films and a round table discussion to bring out the best practices of hog raising on a paying basis. One film, "A Trip Through A Pig Factory," is entirely new and shows how the embryo pigs are developed during the gestation period and how important the proper and adequate nutrition is to the brood sow.

The other film, "The Birth of a Nation," is an educational film on feeding practices with the basis derived from a F. F. A. student that prepared material for a declamation contest. Both films are educational and will be very beneficial for farmers that are interested in profitable returns from hogs.

The meeting is open to all farmers and others interested in hog raising and is one of a series of educational meetings being sponsored by the Chamber of Commerce.

Members of the committee are: Leo Fuchs, Ozell Angell, J. D. Moore, Walter Lester, Roy Wright, Leroy Thompson and Sam White.

### Local Doctor Appointed Chairman In This Area

Dr. J. R. Parker of Cameron this week was advised of his appointment as chairman of a Correct Posture Week Committee for this area.

The appointment was announced by Dr. Walter H. Fisher of Temple, chairman of the Chiropractic Public Health Committee of Texas, which annually sponsors Correct Posture Week in Texas.

The week will be observed May 1-7. During the period the chiropractors of this area will stress the importance of good posture and its relationship to good health in the hopes of correcting postural faults.

"If incorrect posture habits are not corrected early in life, it may be difficult to make corrections later and could be the cause that results in illness," Dr. Parker said.

"Proper posture, especially when developed in young people, is one of the greatest contributing factors to good health, physical endurance, working efficiency and good appearance," he added.

Detailed plans for the observance of the week in this area will be announced later by Dr. Parker.

Louis W. Pagel of Burlington was visitor in Cameron recently.

## Chamber's Annual Progress Report By Manager And Secretary

The Annual Report of Progress of the Chamber of Commerce for 1950-51 is being personally presented to the members of the organization this week by L. G. Smith, manager.

Mr. Smith was assisted in compiling the highlights of the chamber for the year by Mrs. Loretta Brock, secretary. The report is a brief account of the activities that were made possible by members who made investments of time and money into this organization.

Mr. Smith and Mrs. Brock wish to express their appreciation to the officers, directors, committee chairmen and committees and the entire membership for the splendid cooperation extended during the past year, one of the most successful in the chamber's history.

The Chamber of Commerce continuously strives to make Cameron and Milam County a better place to live, work and conduct business, and as the members read their report, the question must be kept in mind. If it were not for the Chamber to sponsor these activities which are beneficial to the city and county, who would?

The highlights of the years work will be found in the pages of the report and much credit is due the manager and the secretary for their efforts in assisting in the progress of the community.

Mr. and Mrs. Starrett Hickman and Mr. and Mrs. John Steele all of Cameron attended the wedding of Billie Jean Angell and William Burkhardt in Houston March 1. The wedding took place in the Methodist Chapel. Mrs. Burkhardt is the granddaughter of Mr. and Mrs. Steele and a niece of Mr. and Mrs. Hickman.

C. L. Carson, I. W. Davis and Mr. Edmondson, representatives of Southwestern Bell Telephone Co. were business visitors in Cameron Wednesday.

Mrs. Minnie Sager of Route 2, Cameron visited in Cameron recently.

## Figures And Facts On Water Dept.

The monthly report of the Cameron Water Sewer Departments is compiled by L. W. Smith, manager at the Company.

The Herald appreciates these reports each month and is glad to pass along the information to the people concerning the affairs and progress of the city government.

People are always glad to know of the progress in the community and the purchase of the Water Company has been a paying proposition for the city of Cameron. It is interesting to note that the revenue has been good during the winter months and with spring and summer coming on there will be beautiful flowers, gardens, lawns and don't forget the pea patch, that will need watering.

During the past 8 months the Water Company has netted over \$20,000.00 and much credit is due the office personnel and other employees at the Water Company for their efficient service and conservative management.

These reports are published each month and the following is for the month of February: Income for the month, \$3,855.07; Expenses, which includes, Salaries, \$810.00, swimming pool, \$21.05, office, \$40.62, auto, \$3.20, maintenance and repair, \$41.33 plant operation, \$237.26 and allowances, \$10.46, making a total of \$1,163.92, leaving a net income of \$2,691.15 for the month.

The Gross income for the eight months, totals \$34,682.35 and the total expenses amount to \$14,379.73 which leaves \$20,302.62 as net revenue.

## Retail Merchants To Attend Clinic In Waco

(From The Daily)

The Waco Chamber of Commerce is sponsoring a clinic for all retail merchants to be held March 12, at 7:30 P. M. in the ballroom of the Roosevelt Hotel in Waco.

The subject is to be Price Stabilization Regulation No. 7, and the clinic will be conducted by William J. Speck, Acting Director, Consumer Goods Division, Office of Price Stabilization, Dallas.

This clinic is held for the purpose of acquainting retail merchants in this area as well as over the country on regulations that cover items which falls under this category. The clinic is free to the public.

The various items that are covered in this regulation are listed as follows:

Men's and Boy's clothing, Women's and children's clothing, Shoes, all kinds, Blankets, quilts spreads, Bed linens, Curtains and drapes, Drapery hardware, Outdoor shades and awnings, Yard goods, Furniture, all kinds, Women's, teen's, and children's and toddlers' ready-to-wear, Floor coverings, carpets, rugs, linoleums, etc. Floor, table and desk lamps, Mattress, springs, Mattress pads and headboards.

## Business Women's Club Entertain With Party

Mrs. Edith Starnes, Chairman of the Finance Committee of the B & P W Club, announced that the game party given by the Business & Professional Women's Club on Tuesday, March 6, 1951 was a complete success. Seventy people attended the party and games of Canasta and 42 were thoroughly enjoyed by everyone.

Cookies, made by members of the Club, coffee and tea were served in the dining room throughout the evening.

Proceeds from this affair will be turned over to the Polio Drive, Red Cross Drive and another current charity drive.

Mrs. Edith Starnes was Chairman of the Committee with Mrs. Roy Vaughan, Mrs. Gene Goldfarb, Mrs. Lottie Bigbee, Mrs. H. W. Brown, Miss Myrtle Hinton and Mrs. J. L. Walker as members of the Committee arrangements. Appreciation of this committee is extended to Marek-Burns Funeral Home for the use of their chairs for this occasion.

## Local Firm Will Operate New Store

The Burris-Moseley Variety Store in Cameron announce the purchase of the Bartlett Variety Store, according to Richard Moseley, Manager of the Cameron Store.

The Bartlett Variety Store was formerly owned by Emmett E. Lawhorn, well known citizen in Bell County. It is one of the leading business establishments of that town which is located in the center of a good farming area in both Williamson and Bell Counties.

Mr. Moseley said the store would be operated through, and in connection with the Cameron Store and would offer the same quality of merchandise.

The Burris-Moseley Variety here was purchased from Louis Gohmert several years ago and has been an outstanding business in the city over a period of years.

Mr. Moseley came to Cameron in November of 1949 from Houston and has been manager of the store since that time. He is well known for his business ability and is active in church and civic work. His many friends will be glad to learn of his success in the purchase of the Bartlett Store. He said in the purchasing of the store he can offer a wider and more complete stock of merchandise.

## Three Men Assessed Fines In County Court

Three pleaded guilty in the County court recently for driving while drunk and were fined \$50.00 plus cost of court and license to drive suspended for six months.

They were Tom Niblett of Rosebud, Samuel Phillips of Branchville and Leo Campbell Gleason of Houston.

Wilbur Payton Farrell of Temple pleaded guilty to a charge of driving an automobile with a suspended license and was fined \$25.00 plus cost of court.

## Watch Out For The "Blind-Spots"

Stopped by Squint Miller's farm the other day and saw a vinegar bottle in his kitchen with an oversized cucumber inside it. The cucumber filled the whole bottle.

"What's a cucumber doing in there?" I asked him. "That's my 'blind-spot' reminder," says Squint. "My grandmother kept one in her kitchen to remind her to take stock of herself now and then."

"I slipped that bottle over the cucumber when it was just starting to grow on the vine," he went on. "And like certain viewpoints,

not noticed, it just grew and grew—now it's there to stay."

From where I sit, we could take a cue from Squint and watch for our own "blind-spots" and prejudices before they grow too big to get rid of. We've got to respect our neighbor's right to his preferences ... preferences for a certain make of car, a favorite movie star, or a temperate glass of beer after work. We won't be tripped by any blind spots if we keep our eyes—and minds—open!

## Rural Communities Get Increase Rates

Customers in rural areas and in the small communities served by Texas Power & Light Company received announcement this week that their electric service rates would be increased slightly with the next billing. The announcement pointed out that the modest increase in electric rates was necessary due to the increased cost of everything involved in rendering service and that the increase in rates will amount to less than one and one-half cents per day for the average residential user of electric service.

In recent years the cost of almost everything the average family needs has risen sharply except electricity which has continued its downward trend, the announcement said. The cost of the material the Company has to buy has been going up continually, it was pointed out, and, although the Company has been able to effect numerous economies in operation, the time has come when there are no more means of cutting expenses without sacrificing efficiency in service.

Friends of Mrs. Mary McGoldrick regret to learn she is among the patients ill and in Newton Memorial Hospital.

# Progrss On Polio Vaccine Announced By Foundation

The reward of Texans for raising money for polio research seemed closer this week.

The hopeful sign was reflected in a National Foundation for Infantile Paralysis progress report on the relentless hunt for polio vaccine.

The NFIP announcement stated that a three-year, world wide search to identify all the different viruses that cause human polio, so that a comprehensive vaccine might be developed to protect mankind against the disease, will be completed this year by scientists in American universities. They will be aided by \$1,370,160 in March of Dimes funds.

This gigantic NFIP research program incidentally includes studies on various phases of polio cure and prevention in several Texas centers.

The National Foundation statement explained that the ease of modern travel permits human carriers to rapidly spread any of the different types of polio viruses to any part of the world. Therefore, scientists must know how many of these viruses exist and what their characteristics are, before a satisfactory vaccine can be created.

"A completely vaccinated child would be protected against all types of poliomyelitis virus that may be introduced into his environment," the NFIP announcement continued. "Unless this were so, the great effort and skill and expense of work that has been and is being done in the field of virus typing would not justify the generosity of the American people whose contributions have made it possible."

The Foundation's report went on to explain that recent research has shown that human polio is caused by at least three different types of viruses, instead of just one as was long

believed, and that there may be more types as yet undiscovered.

"If we thought of the polio virus as breeds of cows, for example, one type might be a Holstein, one a Guernsey, one a Hereford," according to NFIP. "All would be closely related but different. There may be many cases of the same as well as different types of viruses in a given community, just as there are many cattle of the same as well as a different kind."

By MRS. J. A. BLASIENG

Many of the farmers have planted corn in this area and are getting ready to plant corn. The rain that fell Sunday was greatly beneficial to this part of the county.

Pat, the youngest son of Mr. and Mrs. Joe Lacky is ill with the measles.

Sunday dinner guests in the home of Mr. and Mrs. Joe Hauk were her parents, Mr. and Mrs. Walter Garrett, Mr. and Mrs. Pete Garrett and daughter, Mr. and Mrs. Bobbie Garrett and sons, and Thomas Garrett all of Bryan, Pfc. Johnny Joe Hauk of Fort Hood and his buddy, Pfc. Bill Seifits of Syracuse, N. Y., Rev. Zeke Alford and Rev. Bill Webb of Baylor University.

Dr. Patton of the New Salem community is visiting in the home of his daughter Mrs. Joe Lacky and family for a few days.

Mary Christine, the infant daughter of Mr. and Mrs. George Jones is on the sick list this week.

Pfc. Johnny Joe Hauk stationed at Fort Hood is soon to be transferred to Fort Sam Houston, San Antonio, where he will study nuro-Physchiatry in the Medical Corps.

Mrs. Joe Lacky and Mrs. J. A. Blasienz attended a training school on buying fresh and processed vegetables conducted by Mrs. Bertie Alford, Home Demonstration Agent in her office, March 9.

V. W. and Jimmy Hauk, Josephine and Leonard Doskeel visited relatives in Durant Okla., last week end. They were joined there by Pfc. Billy Hauk who is stationed at Wichita Falls.

## BIRTHDAY PARTY

Mrs. George Dodd honored her daughter, Annette with a party on her 8th birthday Sunday, March 11. Following a number of spirited games Lillie Skala, Betty Ruth Behne, Dorine Chollett and Oscar Skala were given prizes. A refreshment course of birthday cake and drink was served to the following guests, Nancy Matyastik, Betty Ruth Behne, Inez Dodd, Dorine Chollett, Lillie Skala, Butch Hauk, Amos Doskocil, Jr., Ira Gene Lacky, Floyd and Floris Kornig, Leslie Ernest and Oscar Skala. Mrs. Dodd was assisted in serving by her mother, Mrs. M. H. Benhe, Mrs. Amos Doksocil, Mrs. Joe Hauk and Miss Jodie Lou Lacky. The honoree received many lovely gifts and thanked everyone in her own sweet way.

# Girl Scout Banquet Big Success; Over 200 Attend Affair

One of the most outstanding and most entertaining banquets held in Cameron was the Father-Daughter Girl Scout Banquet which took place at the Simon George Hall March 8th at 7 o'clock P. M..

Some two hundred Brownies, Girl Scouts and their Fathers turned out for the event. The banquet opened with the Brownie song of Blessing and was followed by the address of welcome given by Miss Marie Horstmann. Her father, Albert Horstmann, gave the response on behalf of all the Dads. A delicious barbecue dinner was served by the Council Members, troop leaders, assistants and some of the Mothers.

Following th ebanquet, some eight fathers chosen at random from the audience by Mrs. Harry Haraway, Master of Ceremonies, decorated women's hats and modeled them. Decorators and models were Earl Curtis, Jack Dubois, Bennie Archer, Narvie Caperton, Bert Nicholson, Herbert Colburn, J. D. Moore and David Shapiro. It was agreed by all that the hats were really out of this world and that the hat designers of Paris and New York had nothing on the artistic ability of these men of Cameron.

Emory Camp took over the spot of auctioneer when the hats were finished and sold them to the highest bidders. Buyers were Dr. Clifford Swift, Frank Cheeves, Ray Lester, Jerry Schiller, W. T. Hanes, Narvie Caperton, Bert Nicholson, Dana Kestenbaum and Roy Mauldin. Mr. Nicholson donated the hat he bought and it was resold. There was much interest in the bidding and the proceeds will greatly help carry on the Girl Scout Program here.

Miss Joyce Edmonds gave a brief history of Girl Scouting and Mrs. David Shapiro, President of the local Council, gave an interesting account of the aims and hopes of the Council in carrying out the Girl Scout Program to the best interest of the Cameron troops. Council Members, troop leaders and their assistants were all recognized and applauded for their work.

The Girl Scout Program is growing in Cameron and with the aid of Civic organizations and interested citizens, the program is one of the best constructive activities offered to the young girls of our city.

# H. D. News Given By Mrs. Bertie Alford

A Training School on "Buying fresh and processed vegetables and other foods" was given the Home Demonstration Agent in her office Friday afternoon, March 9. This was a timely subject in that food prices are high and we do need to feed our family a balanced diet, therefore, using the cheaper forms of food to make our food dollar cover the bill. For example, fresh turnip greens, frozen greens and canned greens were compared for cost, amount, and servings. Milk in the powdered form, fresh, and condensed was discussed for the above factors and also uses in the diet.

The Bethlehem Home Demonstration Club met in the Community Center on Monday afternoon, March 5, with Mrs. Alford presenting a program on gardening.

Sharp 4-H Club girls met for regular meeting Thursday morning. Mrs. Alford showed the girls how to finish up garments from the stand point of heming, button-holes, buttons, zippers, and collars.

The Conoley Home Demonstration Club met Thursday afternoon, March 8, with Mrs. Vernon Guthrie as hostes. The group exhibited the progress made on hooked rugs. Several rugs, from finished to beginning were shown. The ladies are doing a very nice job. A progress report on the glove making in this club was given by Mrs. Campbell. Several ladies have purchased pig skin to make gloves. Several pair of gloves have been

made from cloth during the learning process. Mrs. Alford discussed gardening and why we need to plan for same. She was delighted to learn that the greater number of the members have gardens planted.

Miss Jimmie Nell Harris, Foods Specialist from A & M conducted a two day Training School in Temple on March 6-7 for the County Home Demonstration Agents in District ten. Mrs. Alford attended from Milam County. She reports that it was a very useful and timely school on buying foods, stretching the food dollar, and preparing low cost meals with feeding the family a balanced meal. The forms of preservation of food by the process of pressure cookers, water bath and freezing was demonstrated.

**Held March 9 and 10**

The First Christian church was host to the World Fellowship Meet in District 10 on March 9 and 10. Theme for the meet was "For Thine Is The Glory." Eighty Four youths attended from the following towns: Killeen, Fort Hood, Temple, Hillsboro, Marlin, Belton, Waco, Rockdale, Mexia, and Bartlett. Special guests for the occasion were Miss Margaret Lawrence, of Indianapolis, Ind., missionary who spent 18 years in China, now on furlough and Miss Dee Porter from T.C.U. Fort Worth. Pastors and their wives present were: Paul Farrell, Mexia; James Farror, Hillsboro; Lloyd Watson, Waco; Bryon Welch, Rockdale and Tommie Bouchard, Cameron.

Friday evening the ladies of the church served a banquet at 6:15. Later the movie, "Beyond Our Own" was presented, following by an inspiring address by Miss Lawrence, missionary.

Saturday the service started at 9 a. m. with a worship service, followed by skit presentations from the different churches. The Seniors and Chi Rhos then went into study groups. At noon they were served luncheon at the church, Waco, comprised the afternoon program which was closed with a consecration service, Cameron church in charge. The director of the C.Y.F. District 10 is Rev. James Farror, Hillsboro; Chi Rho director is Rev. Lloyd Watson, Waco and Miss Dala Hieronymus, Temple is district president.

Those attending expressed their thanks to Rev. and Mrs. Tommie Bouchard for the splendid banquet and luncheon served by the women of his church and their fine hospitality as the visiting youth were guests in the homes of the church people Friday night.

The next young people's conference will be in Bastrop June third.

## The Cause Of The Crippled Children

The current funds drive of the crippled children's societies of Texas offers the people of the state an excellent opportunity to add another category in which they are the "biggest."

By the manner in which they respond they can show just how "big" their hearts are.

The money received from the Easter Seal drive will be used to aid children crippled as a result of a number of causes. The name of the Texas Society for Crippled Children means what it says, and where help is needed, the society endeavors to give it.

One of its main efforts is directed toward aiding children with cerebral palsy. Around 8000 youngsters suffer from this affliction in Texas alone.

Cerebral palsy is not a disease. It is a condition brought on by injury to the brain. As a result of that injury, many of those who suffer from it are unable to do so much as stand even with the aid of crutches and braces. Virtually all of them have speech difficulties and cannot talk intelligibly.

Treatment is directed toward educating other portions of the brain to perform the functions of the injured part. Muscular control thus developed results in correction of these difficulties to a degree that those so treated are capable of normal, or near normal living.

But this treatment is slow. It is expensive. The society must have a

lot of money to carry it on. And this money must come from donations such as it seeks in its present Easter Seal promotion. It gets no state funds.

The effort began February 25 and will go through Easter Sunday, March 25. Contributing to it will be investing in human happiness and well being that will pay rich dividends to all concerned.

Here are the names of a few local persons who have been helped through this drive in recent years;

Franklin Johnny Zalesky, Cameron, treated in Dallas; Della Ann Zalesky, Cameron, treated at Crippled Children Hospital in Waco (Curvature Spine.)

Leroy Parker, Jones Prairie, special shoes.

No country on earth dislikes to produce weapons of war more than America.

But no country on earth can do the job as swiftly and expertly as America—when she has to.

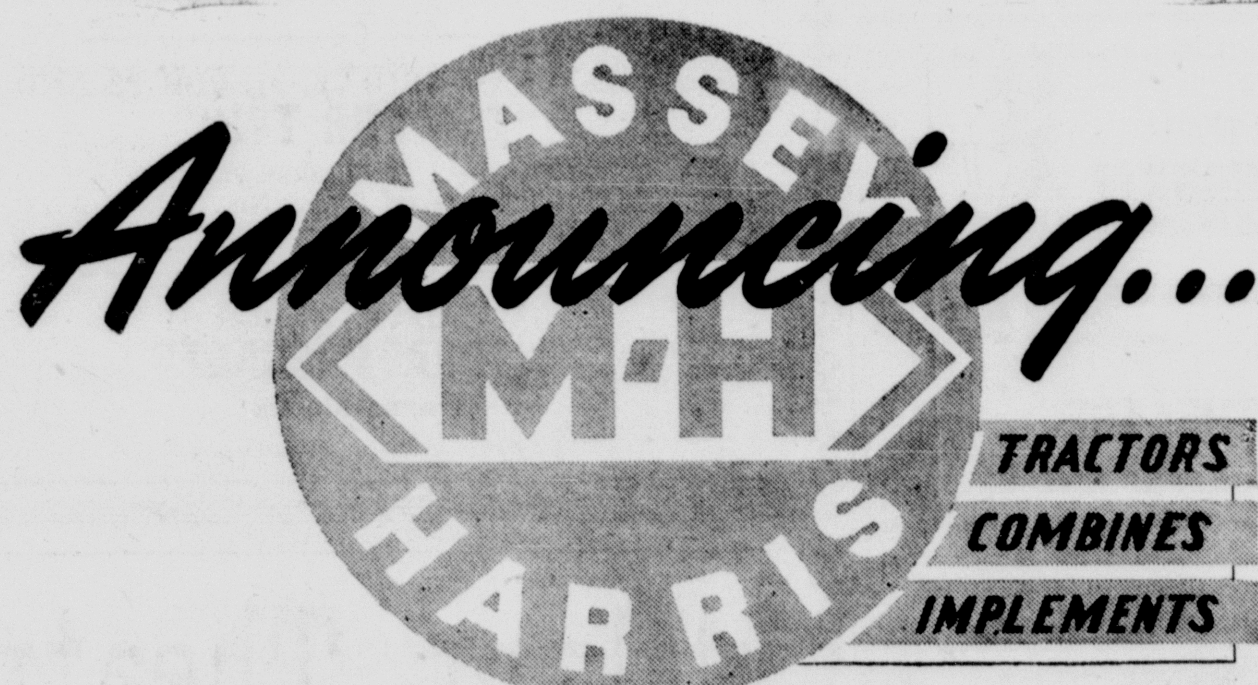

One of the reasons we can out-produce any other nation is our telephone system—the biggest and best in the world.

Here in Texas millions of telephone calls tie our defense efforts together. Ideas, proposals, decisions, orders, instructions and information flash over telephone wires—and production lines move full speed ahead.

It is our job at the telephone company to meet these responsibilities. We will do so, as we have tried to meet all our service obligations—with all the skill and financial strength at our command.

## World War II Veterans Given Advantage Of Cut-Off Date Training

World War II veterans now in active military service, attending school under the GI Bill during their spare time, will be able to resume their courses after the July 25, 1951 training cut-off date, if they are forced to interrupt their studies because of military duties or transfers, Veterans Administration said today.

They will be allowed to continue training within a reasonable period after their release from active duty—even though they do not get out until after the cut-off date.

In fact, VA added, when they do re-enter GI Bill training, they may step up the part-time training taken while in uniform to full time courses.

However, VA said, a veteran taking a GI Bill correspondence course while in service or otherwise may not, after the cut-off date, switch to classroom training, regardless of whether it's in the same or any other field of study.

Similar post-deadline procedures apply to veterans who started GI Bill studies as civilians, then interrupted to return to military or naval service, VA stated. They also may resume training within a reasonable period following their release from service—should they return to civilian life after July 25, 1951 and before July 25, 1956, the wind-up of the program.

Veterans whose training is interrupted by military service must meet three requirements if they expect to return to training after the cut-off date, VA said.

Conduct and progress in their GI Bill course must have been satisfactory.

The period of training which may be obtained after they get out of uniform will be limited to their remaining GI Bill entitlement.

And their course may not extend beyond the final deadline of the GI Bill program on July 25, 1956.

Under the law, the July 25, 1951 cut-off date applies to World War II veterans discharged before July 25, 1947. For those few discharged afterwards, the cut off date is four years from date of discharge.

## UN Troops Advance On Battle Front

(From the Daily)  
TOKYO, (Monday) March 12—United Nations troops smashed out new gains in Central Korea Sunday with an unrelenting attack against North Korean and Chinese Communists all across the peninsula.

An 8th Army communique said U. N. forces continued their "slow, consistent advance" against light scattered enemy contact.

In mid-Korea the attack ground forward toward Hongchon from two directions. The U. S. 1st Cavalry Division rammed a daring tank-infantry-engineer platoon through the town of Yongdongwon to within seven miles of the important road junction and Red base.

Hongchon, 47 miles east of Seoul, was also under pressure from U. S. 1st Division Marines advancing northward from captured Hoengsong.

The cavalry troops fighting toward Hongchon from the southwest, were within 25 miles of the 38th parallel, farther north than any other American division.

To the west on the 40-mile front east of Seoul the 9th Corps hammered back the Reds as "Tiger-face" tanks blasted stiffly resisting Chinese troops out of their foxholes.

The American tanks—painted with grotesque tiger faces—turning blistering fire on ridge tops to drive back the Chinese all along the front.

A 9th Corps spokesman said the Chinese were counterattacking bitterly in some sectors and falling back to well-prepared positions in other areas without firing a shot.

The British 27th Commonwealth Brigade in the center of the western front moved forward for the biggest advance, gaining six miles against almost no resistance.

Flame-throwing tanks scorched a path through enemy ranks for foot soldiers of the U. S. 25th Division, who expanded the 10-mile-wide bridge-head on the north bank of the Han River some 15 miles east of Seoul.

On the central front the American 2nd Division seized a strategic mountain pass leading to Yudong, 11 miles northeast of Hoengsong.

## Social Security Office Issuing New Numbers

The Austin social security office is doing a rush business in issuing account numbers, according to James B. Marley, manager. During the month of January the office issued more than 2,000 new numbers to individuals in the 21 counties in the Austin service area. Last year during the same month less than 800 new numbers were assigned. Along with new account numbers the office also issued about 1,400 duplicate cards to replace original cards which had been lost or worn out.

This heavy increase in demand for account number cards is largely due to recent amendments in the Social Security Act. Under these changes, several kinds of work not covered before under the Federal old age and survivors insurance program were brought under the law on January 1, 1951. About 10 million more workers have been potentially added to the system, including several thousand persons in the Centex area.

These newly covered groups include self-employed individuals, except farm owners and operators, and certain professional groups like lawyers and doctors regular domestic workers in private homes and regular farm workers. The law also provides that state and local government workers and employees of certain non-profit organizations may be included by voluntary agreements.

A great many of these newly covered workers, particularly the home and farm employees, have never had any connection with the social security program before, and will need to get account cards for the first time. Some of these farm and home workers may have had cards in the past but have lost them. Such workers should secure duplicate cards. The first wage reports for farm and home workers will be for January, February, and March of this year. For that reason, both new and duplicate cards should be applied for as soon as possible in order that a last minute rush and delay at reporting time may be avoided and that first quarter wages may be reported correctly.

## Korean War Dead On Way To U. S.

YOKOHAMA, Japan, March 11—Fifty American war dead from four branches of service were embarked Sunday on a somber voyage home.

They were the first war dead back from the icy mud of Korea.

They were of all ranks, from private to general, of various creeds and races. They died on many scattered battlefields.

This was the first time America has returned her dead from an active theater of war, although bodies of some Korean war casualties who died in hospitals have been returned home for burial.

The Army has evacuated all war cemeteries south of parallel 38 in Korea, transferring the bodies either to Pusan or to mortuaries in Japan.

The dead sailed for San Francisco aboard the transport General G. M. Randall, beneath an aerial cross of jet fighter planes, while the ship's bell tolled. Similar shiploads will follow.

The commanders and comrades of the dead bade them farewell in the tense quiet of a gray waterfront afternoon.

Truly, they represent all the peoples of the earth who prefer death to bondage," said Maj. Gen. Doyle O. Hickey, General MacArthur's Chief-of-Staff.

As the ship sailed, a bugler softly sounded "Taps." There was the rattle of a rifle salute—highest military honor.

The dead all have been identified positively. Officials said the list would be announced before the General Randall reached port.

On arrival in San Francisco, the identities will be checked. Telegrams will be sent to relatives. Then, if desired, each body will be sent home with an individual escort.

Mrs. Thomas Hickerson and baby son of Rosebud visited Mr. and Mrs. S. A. Cottle here Thursday.

## Leadership Training School Held For H. D. Clubs Friday, March 9

A very interesting leadership training school was held in the County Home Demonstration office Friday at 2:00 P. M. Leaders from the following clubs were present, Jones Prairie, Forest Grove, Clarkson, Tracy and Hoyte.

The central theme of the school was, "Stretch Your Food Dollar." The agent, Mrs. H. L. Alford used frozen fish, canned and dried foods to demonstrate how to stretch your food dollar and yet give your family an adequate diet.

Since the food supply of our nations at the present time is plentiful the problem facing the majority is: Stretch that food dollar. By following these guides you can shop wisely; 1. Watch labels for quality and quantity. 2. Learn to read labels and know what information to look for. 3. Highly advertised foods are more expensive and not always the best. 4. Learn what brands suit your family best. This also helps compare prices. 5. Larger quantities are cheaper. 6. Foods in season are more economical. 7. Substitute foods containing the same food values.

## Men To Be Inducted At Love Field

A call for 17 men from Milan County for induction into the armed services has been issued according to August G. Kunz, chairman of local draft board No. 92.

This is the eighth call for men since the outbreak of the conflict in Korea. The draft calls have gradually increased each month.

The men will leave by bus and report at Love Field at Dallas for induction where they will receive further assignments and processing.

Fourteen men will leave for induction and twenty-eight for pre-induction physicals on March 22. With the state quota hiked more men from this county may be called in the next two months.

The Korean situation still remains serious and from all indications a long drawn out war might be in its early stages. A hope of an allied offensive to drive the communists out of Korea looks dim as the Reds continue to hold their positions with plenty of reserves even though the Allies continue to annihilate thousands daily.

# Valter White Calls For Meeting Here

Citizens of the rural areas surrounding Cameron are urged to attend a meeting at the District Court Room on Monday Night, March 12, at 8 P. M. for the purpose of seeking rural telephone service in the communities around the city that have not had this service extended to them, according to Valter White, Assessor and Collector of Milam County.

There has been considerable interest on the part of citizens in the rural areas recently on the telephone situation and from the recent gathering of farmers and ranchers at the meeting of the city council two weeks ago, some action is being anticipated in the near future.

Mr. White said that C. L. Carson, I. W. Davis and Mr. Edmondson, representatives of the Southwestern Bell Telephone Company were in his office this week in connection with extending telephone service to the other rural areas surrounding Cameron, and Mr. White told the representatives of the company that he would call a meeting of the farmers and other interested citizens to discuss the situation and asked Mr. Carson to be present at the meeting to answer any questions that might arise in connection with this project. The farmers want to know what kind of service they are to get and what rate per month and other business de-

tails on the matter.

Farmers are chiefly interested in the best service at the lowest rate per month and they want to understand thoroughly what both the Southwestern Bell System and the Cooperative system can offer on these bases.

This matter will also be brought up at the general meeting of the Milam County Farm Bureau meeting on next Thursday night, March 15, at the Court House.

The Farm Bureau had been asked to sponsor a cooperative telephone system but information had not been received up to the present concerning this matter. Walter Hammond, president of the Texas Farm Bureau Federation, had contacted officials in Washington, D. C. but no official statement has come from national headquarters.

The Farm Bureau has a good program planned and the entire membership is urged to attend and bring a neighbor. These meetings are highly beneficial to the members of the organization.

Mr. and Mrs. F. G. Blake of Hearne visited in Cameron a few hours Saturday.

## Price Control Board To Meet In Bryan On March 15; Businessmen Are Urged To Attend

There will be a meeting of representatives from the office of Price Stabilization Board of Houston District at the Chamber of Commerce office in Bryan in the Varisco Building on Thursday, March 15, at 9:30 A. M., according to L. G. Smith, manager at the local Chamber.

This will be a very important meeting and as many businessmen as possible from this area should make plans to attend. There will be discussions on regulations regarding regulation No. seven and General Price Control Regulation No. One. This meeting no doubt will be of great interest to many of the businessmen in the city and surrounding sections of the county.

A number of men from this city attended the Retail Merchants Clinic in Waco Monday night at the Roosevelt Hotel. The Waco Chamber of Commerce sponsored the clinic and it was held for the purpose of acquainting retail merchants in this area as well as over the country on regulations that cover items which falls under the different categories under the price control regulations.

Merchants recently received copies of ceiling price regulation No. Seven, released by the Office of Price Stabilization and any one who has not received one, may obtain one at the Chamber of Commerce.

Mr. Smith has been very cooperative in assisting the merchants on problems of this type and any information covering these regulations is essential and businessmen should thoroughly understand its contents.

### EASTER PROGRAM—

ers. Each minister is to be responsible for his particular part on the program.

The following parts were assigned: Rev. Corkern to preside and give the introduction; Rev. Bob Walker to have the First Word and parts, Rev. McKeown will have the Second Word and parts, Rev. John Solomon the Fourth Word and parts, Rev. Tom M. Bouchard to have the Fifth Word and parts, Rev. O. H. Buttram to have the Sixth Word and parts and, Rev. John Striepe to have the Seventh Word and parts. Each minister is to have approximately twenty minutes for his entire part.

Dr. R. L. Holmes, pastor of the First Baptist Church of LaFayette, La., brought greetings to the Association. He is bringing the gospel messages at the revival at the First Baptist Church. The meeting adjourned to meet the second Monday in April at 10 A. M. at the First Baptist Church.

People in the city of Cameron and surrounding areas look forward each year to the Good Friday service. This is the first year the service will be held in the First Presbyterian Church.

These services were instituted several years ago and have usually been held in the First Methodist Church but other minister have offered their churches as a place for the service and plans are to alternate each year.

## Chinese Fall Back Over Most Of Front

TOKYO, Wednesday, March 14—Chinese Communist forces Tuesday traded space for time to build a new mountain line in Central Korea, breaking off contact along most of a 70-mile front.

Allied air and artillery hammered the retreating Reds. Allied ground troops moved up to within 22 miles of the 38th parallel without determined opposition.

Heavy Communist supply movements from both northwest and northeast Korea toward the battlefield were reported, however. More than 1,500 vehicles were sighted in the last 48-hours, hinting that a big new battle still may be brewing just south of the parallel.

Front dispatches said the Reds seemed intent on defending an east-west lateral highway running from the battered Communist-held capital of Seoul in the west, through the central Korean base of Chonchon to the east coast.

Chuncheon is eight miles south of the old political boundary between North and South Korea, and 14 miles northwest of Hongchon. Hongchon is the Red Army corps headquarters and assembly area now menaced by three converging Allied columns from the right, left and center.

In pulling back the Chinese yielded without a fight a strategic crest of ridges and hills south of Hongchon. It was from this line that the Reds tried to burst through at Wonju and Chipyong into southeast Korea in a bloodily repulsed mid-February offensive.

They pulled out of their front line so rapidly Tuesday they abandoned pack animals and supplies to the front.

Front dispatches indicated the Reds had decided not to defend Hongchon—once headquarters for the Chinese 66th Army Corps.

### BILL ARTHUR—

(Continued From Page One)  
every angle. The program was very interesting and at the same time entertaining. Approximately two hundred people were present for the affair.

The program began with Mrs. Mark C. Magers leading in the singing of America with Mrs. Hilliard Thomas at the piano; Dr. Mark Magers minister at the Methodist Church gave the invocation.

The ladies of Methodist Church who are known for their preparation of banquet menus, prepared the dinner which consisted of baked ham, potato salad, candied apples, green beans, hot rolls, pie and coffee.

W. L. "Bill" McIntosh, out-going president gave a brief talk on duties of the Chamber and thanked the members, directors and committees of the chamber for their efforts in making the past year such a big success. Success has been attained by the cooperation of the members in their interest in the development of the community.

He has been a good president of the organization and has put forth untiring effort in the aggressive movements of the chamber and its under-

taking in the past year. He introduced Miss Shirley Horstmann, soloist, who sang, "Dear Hearts and Gentle People," accompanied by Mrs. Thomas.

Mr. McIntosh introduced the newly-elected president, Bill Arthur, instructor at the G. I. School, the new directors, and the outgoing directors. The new directors are as follows: Bill Burns, Donald Glass, E. C. Cole, Richard Moseley, E. A. Perrin, L. Van Perkins. The out-going directors are, Morris Eplen, Roy Griffith, Stanley Swift, Dana Kestenbaum, Jack Dubois and A. W. McCullin.

Mr. Arthur discussed the highlights of the past year's work of the chamber and pointed out the progress the organization has made during the year just completed. He expressed his appreciation to the arrangements and ticket committees for their work and interest in the preparation and arranging of the banquet and other details. He expressed his thanks to the Cameron newspapers for their cooperation. Mr. Arthur pointed out the fact that Cameron is located in a farming area of the state and much of the income is derived from projects backed by the chamber which are beneficial to the city of Cameron and members of the chamber are highly interested in the progress and development of projects in the surrounding communities. He introduced Lester William, president of the First National Bank who introduced the guest speaker, John Ben Shepperd, secretary of state.

Mr. Shepperd gave a dynamic and thorough discussion of the governmental affairs that now exist, and pointed out a "Bill of Responsibilities" that lies before the people and the importance and interest they should take in present day government issues that are now being brought up at the legislature and also in Congress. He emphasized how during the first half of

the 20th century that two wars have already been fought for democracy and we are on the brink of another. If democracy is to survive, the people must attend to this business of government by electing the right kind of politicians to office and go to the polls on election day and vote and not let "George", your neighbor, so to speak, do your voting. This is a vital concern, he related and everyone should vote and voice their opinion in elections.

He said that when major issues come before the legislature, people should phone, wire or write their representatives and express their viewpoints of the issues and demand what is best for the people and not for special interests.

A large number of out-of-town guests from Temple, Bryan, Brenham, Rockdale, Rosebud Waco and Minnesota were present for the event.

The Chamber is to be commended for the progress it has accomplished during the past year and a brighter future is anticipated.

Ma. and Mrs. Wesley Woods of Milano are ill and patients at Newton Memorial Hospital.
